

Mathematics Department University of Fribourg

Send applications to

stefan.wenger@unifr.ch

Opening

The Analysis group at the Department of Mathematics at the University of Fribourg (Switzerland) invites applications for a

PhD Position

under the supervision of Prof. Stefan Wenger. The ideal candidate has a strong background in analysis and geometry and is familiar with at least one of the following areas: metric geometry, sub-Riemannian geometry, geometric measure theory, analysis on metric spaces.

We offer a friendly and supportive environment, a competitive salary, and integration in the Swiss Doctoral Program in Mathematics. The position carries a moderate teaching load. A certain degree of fluency in German or French after a period of adaptation will be required.

Applications should be sent by email to stefan.wenger@unifr.ch and should include a letter of motivation, a curriculum vitae, and a list of courses taken in mathematics. Moreover, two letters of recommendation should be emailed directly by the letter writers to the email address above. Applications will be evaluated on a rolling basis.

Start date: 1 January 2019 or at the earliest convenience.
