August 31, 2018,
late applications will be
considered until position is filled

math.unifr.ch

Opening

The Department of Mathematics invites applications for a

Postdoctoral Position in Mathematics

starting on October 1, 2018, or at the earliest convenience. The position is awarded for 1+1 years.

Applications with a relation to one or several of the departmental research interests are welcome. For more information on the department, see <http://math.unifr.ch>.

The position comes with a light teaching load. Some level of fluency of German or French after a period of adaptation is desirable.

Please send applications including

- letter of motivation
- curriculum vitae
- list of publications
- about 3 pages of research proposal
- 3 letters of recommendation, **to be sent separately by the referees**
